

Please refer to <https://developer.apple.com/support/enrollment/> before signing up to ensure you have the information required to apply.

You will need the following:

- ✓ A D-U-N-S Number (which can be found here: <https://www.dnb.com/duns-number/lookup.html>)
- ✓ Legal Binding Authority
- ✓ Your website address

Steps to Apply:

- 1) Go to <https://developer.apple.com/account/> and create an Apple ID using your work email.
- 2) Verify your email address and then, sign in with your newly created Apple ID.
- 3) Agree to Apple's Developer Agreement and then hit submit
- 4) You should now be redirected to the "Getting Started" page of your Developer Account
- 5) Go to <https://developer.apple.com/enroll/> to begin your enrollment.
- 6) From the "I develop apps as" dropdown select "Government Organization" then click "Continue"
- 7) Fill out all of the information listed. Under **Membership Fee Waiver** be sure to check "Yes" to apply to have the Membership Fee Waived.
- 8) Click continue and proceed to fill out any other information as necessary.
