Send a notification

- **Step 1:** Select a topic
- **Step 2:** Enter your title (75 characters max. – use no special characters or carriage returns)
- **Step 3:** Enter your notification details - (1400 characters max. – use no special characters or carriage returns)
- **Step 4:** Click Send

The screenshot shows the EZTASK web interface. The browser address bar displays `my.ezconnect.net/Home/Client`. The user is logged in as `account_admin`. The page title is `My Account`. The main content area is titled `Send a notification to my ezMobileApp`. The form consists of four steps:

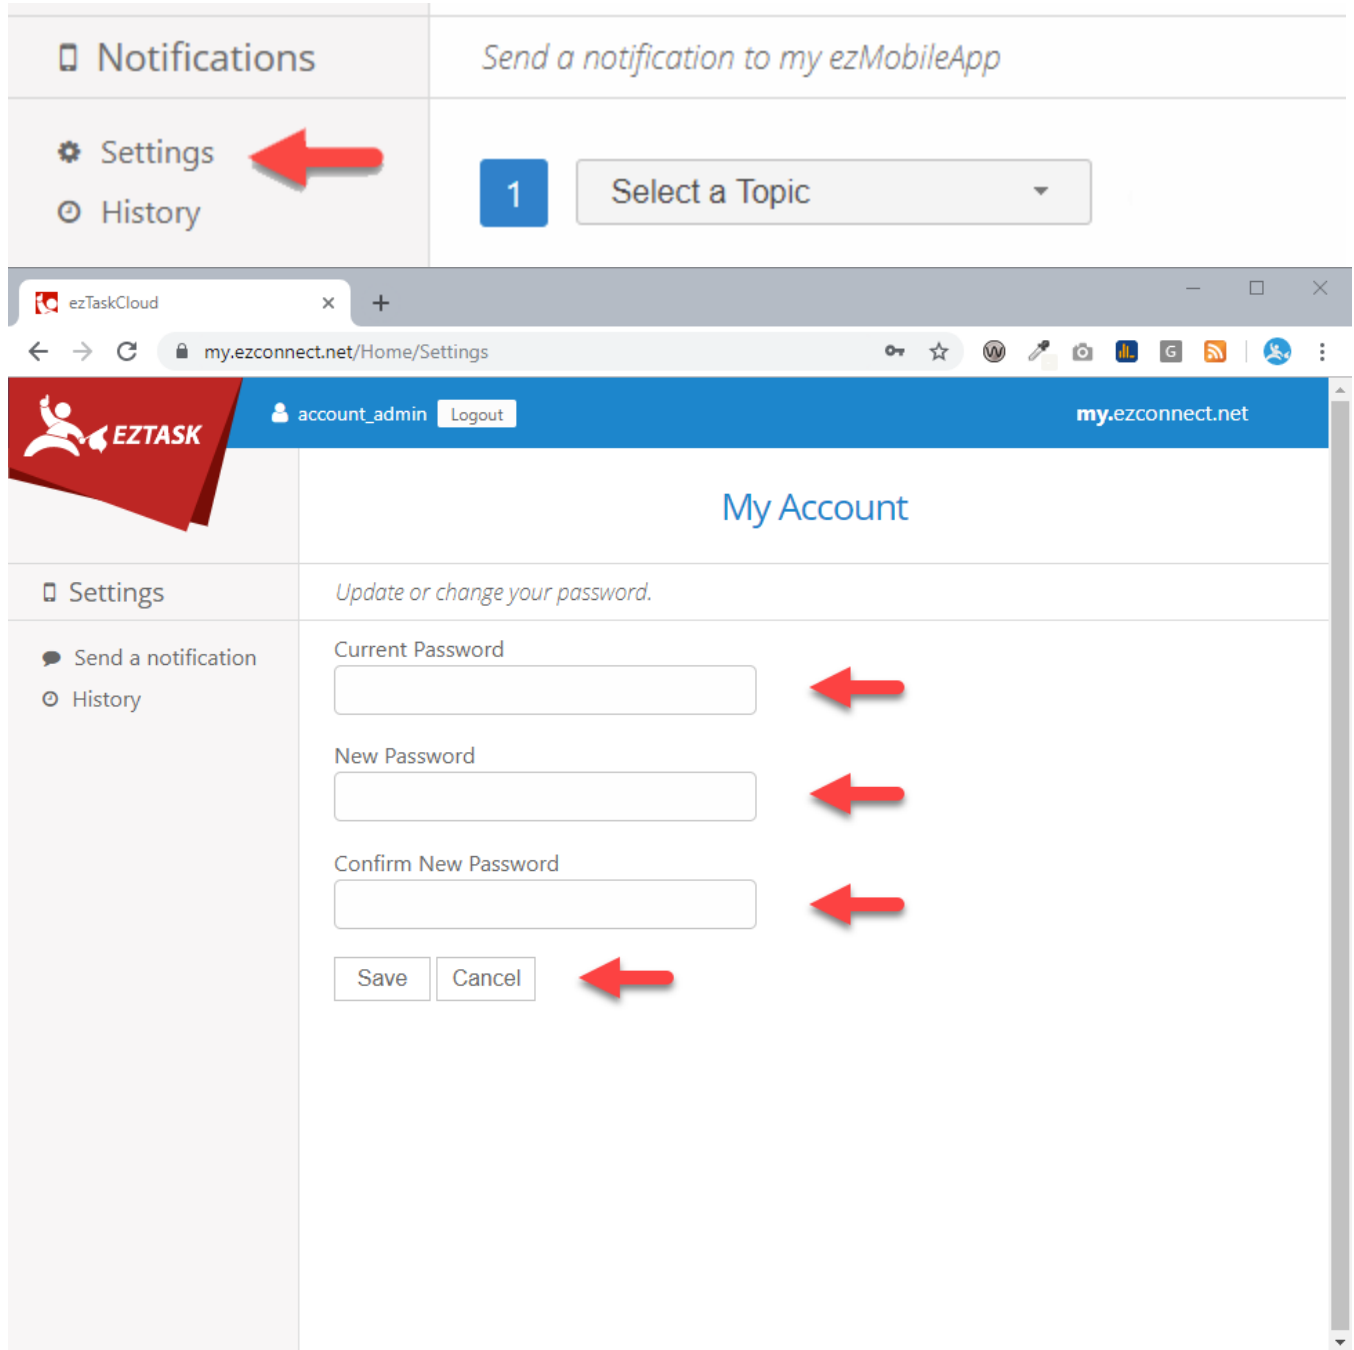

- 1** Select a Topic (dropdown menu)
- 2** Enter your title (text box, 0/75 characters)
- 3** Enter your notification details (text box, 0/1400 characters)
- 4** Send/Cancel buttons

Red arrows point to each step, indicating the sequence of actions.

Note: Make sure you have proofed your notification before clicking send! Once you click send, the notification is sent immediately.

Changing your password

- Select "Settings" from the left hand
- Enter your current password
- Enter your new password
- Confirm your new password
- Click Save
